The Ecotour to
enchanting Tajiri
& Marsh Kabukuri-numa

~ Visiting the fields for environmental education
where nature and agriculture coexist ~

Tajiri Town,
Home for Migratory Birds and People

Tajiri Town, the footholds of the RCE Sendai wide area, was designated as a modeling site for the ecotourism promotion programme of the Ministry of Environment. This tour invites you to the fascinating Tajiri Town "Home for Migratory Birds and People" where a Japanese old-time traditional lifestyle still exists and where 30,000 wild geese and agriculture coexist.

Date : **November 26** (10:00a.m.-7:00p.m.)

Place : Marsh Kabukuri-numa

Tajiri Town, Miyagi Prefecture

Tour Fare : ¥4,000
(including tax, meals, educational material and gift)

Acceptable No. of person : **15** (minimum 8)

Hosts : Association for Promotion of Tajiri Ecotourism
